)	(MSC 8009.5)
For: Process for the Production of a Reversibly Inactivate Acidified Plasmin Composition)	

FOURTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby voluntarily disclose the references listed on the attached Form PTO/SB/08/A/B to the Commissioner for Patents. This Supplemental Information Disclosure Statement is being filed with an application for Request for Continued Examination, filed concurrently herewith. Accordingly, no fees are believed due.

The following summarizes the status of copies of listed information provided with the instant Supplemental Information Disclosure Statement:

- Copy of Item P1, which is a U.S. patent, is not attached.
- Copies of Items F1, F2 and D1 – D10 are attached herewith.

Applicants further reserve the right to establish the patentability of the claimed invention over any of the listed information should they be applied as references, and/or to prove that any of the cited information may not be prior art, and/or to prove that any of the cited information may not be enabling for the teachings they purport to offer. This statement further should not be construed as the representation that an exhaustive search has been made, or that the information

cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct an independent and thorough review of the information, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return copies of the enclosed Form PTO/SB/08/A/B and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.
